

MATERIAL SAFETY DATA SHEET

SECTION ONE

Marketed By
Cibaria International, Inc. Company
Address
1203 Hall Avenue
Riverside, Ca 92509

Emergency Telephone No.
951-823-8490

Type of Product
Olive Oils - Organic, Extra Virgin, Pure, Refined A, Pomace
Trade Name
Fior D'Italia, Cibaria, Olio D'Oro

SECTION TWO: Hazardous Ingredients

Ingredient Chemical Name	Type of Hazard(s)	Weight	TLV
NONE			

SECTION THREE: Physical Data

Flash Point 535° - 570° Specific Gravity (H₂O=1)

p^H 4.5 - 6.0 Percent Volatile by WGT.

Vapor Density (Air = 1) N/A Vapor Pressure: (mmHG) <,95 mm@300 degree C

Solubility in Water Dispersible Flame Extension 70°F

Appearance and Odor Oily liquid - odorless

SECTION FOUR: Fire and Explosion Hazard Data

Unusual Fire & Explosion Hazards: NONE

Precautions To Be Taken: Do not overheat. If product begins to smoke, reduce heat

Extinguishing Media Water Fog, Standard Foam, CO₂, Dry Chemical, Halon

SECTION FIVE: Health Hazard Data

Threshold Limit Value of Most Toxic Ingredient: NONE

Effects of Overexposure

Ingestion	None	Inhalation	None
Eyes	Mild irritation	Skin	None

Emergency and First Aid Procedures

Ingestion	None	Inhalation	None
Eyes	Flush with lukewarm water	Skin	Wash with soapy warm water

SECTION SIX: Reactivity Data

Conditions to avoid Avoid flames, strong oxidizers and absorbants containing silica

SECTION SEVEN: Spill or Leak Procedures

Steps to be taken in case large amounts are released:
Use oil absorbants (sand or non-silica type) and dispose properly

Waste Disposal Method
Do not put into sewer lines. Dispose of in accordance with local regulations.

SECTION EIGHT: Special Protection Information

Respiratory Protection	None	Protective Gloves
Ventilation	Adequate	Other Protective Equipment
Mechanical	None	

SECTION NINE: Special Precautions

Precautions to be taken in Handling and storing

Do not use absorbants containing silica as the combination make create heat

Other precautions None
